TERMS AND CONDITIONS

1. All reservations require a valid credit card number.
2. Absolutely no refund or credit for guests leaving prior to scheduled departure or on unused days.
3. With due notice, changes or transfers to reservations may be honored, based on availability through the current year.
4. Every effort will be made to place guests in their requested sites. However, management reserves the right to make changes due to certain circumstances (i.e. maintenance issues, etc.). Guests will be advised of any changes.
5. **Marina:** Demand for moorage is high in Telegraph Cove. Moorage rates are based on slip length vs. actual vessel length, whichever is longer. Total overall vessel length and beam (to include bow pulpit and bracket with engines up) is required at the time of reservation. It is the customer's responsibility to provide accurate measurements. In the event the vessel's footprint exceeds the moorage reserved, we may be unable to relocate the vessel and the customer may forfeit their deposit.
